

Multi Channel Remote Control

This new designed Multi Channel Remote Control is another innovation from American North Group Inc.

Unlike the others the new Silky Rider Multi Channel Remote Control:

- 1 Can show the state of the functions.
- 2 Has a range of 150 meters.
- 3 Has 10 channels which can be customized.
- 4 Provides a channel that can control all the devices in range.
- 5 Has a big LCD.
